**Disclaimer:**

All courses must be paid in full before registration is confirmed. Should any scheduled course be cancelled because participation of enrollment criteria was not met, Paratech CTC reserves the right to reschedule the class for a later date. Once payment for a course has been received, there will not be any refunds given. A 24 hour notification is required before a participant may be eligible to reschedule for a previously cancelled course initiated by either the Paratech CTC or participant. If a participant cancels a course they will be allowed to reschedule once only. Rescheduling of any courses must occur within 3 months of the initial cancellation. The participant will then be placed in the next available class. Paratech CTC is not responsible for any participant registering and/or participating in a course that does not meet the needs of his or her licensure level or certification requirements. It is the responsibility of the participant to fully understand which class meets the requirements of his or her licensure level or certification prior to registering.
